**Letter of Recommendation for Tony Pleasant of Pleasant Sound Co.**

To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for Mr. Tony Pleasant of Pleasant Sound.

On October 2nd 2004, during the NAACP's 58th Annual Tennessee State Convention, Mr. Pleasant delivered an impressive solo performance at the NAACP's Ruby Hurley Banquet. Sponsored by the Hamilton County Branch of the NAACP, the Ruby Hurley Banquet is the branch's largest annual fundraiser. There were approximately 500 persons in attendance. This event was hosted by Myra J of the Tom Joyner Morning Show and took place in the Imperial Ballroom of the Chattanooga Choo Choo in Chattanooga Tennessee.

At the above event, Mr. Pleasant was solely responsible for selecting and coordinating the musical performances. Not only did Mr. Pleasant single-handedly deliver a flawless performance he also set a "pleasant" atmosphere for our guests and our guest speaker.

Mr. Pleasant is a gifted artist and a talented musician. He has demonstrated that he is efficient and meticulous about his work. His professionalism and dependability has greatly contributed to the success of the above event. Our organization has truly benefited from his services and we look forward to working with him again in the future.

Since his performance, several persons have called to inquire about Mr. Pleasant and we have recommended "Pleasant Sound" to several local organizations in Chattanooga Tennessee. The NAACP appreciates his support and dedication and we wish him success in his future endeavors.

The National Association for the Advancement of Colored People (NAACP) is the oldest, largest and most widely recognized, community-based civil rights organization in the United States.

Founded in 1909, by a diverse group of citizens committed to helping to right social injustice, the principle objective of the NAACP is to ensure the political, educational, social and economical equality of minority citizens in this country.
